1. **About Society and College:**

Edlabad Taluka Education Society, now known as Muktainagar Taluka Education Society, was established in 1954 to provide quality education to the first-generation learners of this area. The society adopted the motto "Tamasoma Jyotirgamaya," which translates to "Lead me from darkness to light." and opened Primary School and Highschool at Muktainagar followed by opening Junior College with Arts, Commerce and Science faculties. Then, Muktainagar Taluka faced various challenges and was underdeveloped in many respects. In the early 1990s, higher educational opportunities were scarce in the Taluka. Recognizing this need, Muktainagar Taluka Education Society resolved to establish an undergraduate and post graduate college to serve the students in this rural area. The vision became a reality with the establishment of Edlabad Science College, Edlabad (Now MTES's Smt. Gadavaribai Ganpatrao Khadse College, Muktainagar in 1990. The dedicated Management of MTES played a crucial role in the foundation and overall growth of the college. They worked tirelessly to provide equal educational opportunities to the students of the area. Today the fields like Electronics, Computer Sciences, and Chemical Sciences have gained prominence, hence, the college introduced courses in Computer Science and Electronics in 1997, followed by B.Sc. IT in 2001. Presently, the college boasts a beautiful building located on Bhusawal Road, surrounded by a natural and picturesque surrounding.

Muktainagar Taluka Education Society's Shrimati Godavaribai Ganpatrao Khadse College, Muktainagar, a revered institution nestled amidst the verdant expanse of a sprawling 11-acres premise. Rooted in the esteemed Muktainagar Taluka Education Society, established in the year 1954 with the aim of providing quality education to the first generation learners of this area. The society adopted the motto "Tamasoma Jyotirgamaya," which translates to "Lead me from darkness to light." and opened Primary School and Highschool at Muktainagar followed by opening Junior College with Arts, Commerce and Science faculties. Then, Muktainagar Taluka faced various challenges and was underdeveloped in many respects. Recognizing this need, Muktainagar Taluka Education Society resolved to establish an undergraduate and post graduate college to serve the students in this rural area. The vision became a reality with the establishment of Edlabad Science College, Edlabad (Now MTES's Smt. Gadavaribai Ganpatrao Khadse College, Muktainagar) in 1990 with the noble vision of fostering enlightenment and empowering generations of the area with knowledge. We have presently Adv. Sau. Rohinitai Pranjal Khadse-

Khewalkar, a visionary leader, and the chairman, is helming the institution through her unwavering dedication, towards unparalleled academic heights. The dedicated Management of MTES played a crucial role in the foundation and overall growth of the college. They worked tirelessly to provide equal educational opportunities to the students of the area. Today the fields like Electronics, Computer Sciences, and Chemical Sciences have gained prominence, the college introduced courses in Computer Science and Electronics in 1997, followed by B.Sc. IT in 2001. More than hundred villages, in the vicinity of Muktainagar, have, directly or indirectly, been benefited by the establishment of the college.

Presently, the college boasts a beautiful building located on Bhusawal Road, surrounded by a natural and picturesque surrounding. The college is affiliated with the Kavayitri Bahinabai Chaudhari North Maharashtra University, Jalgaon. In 2003, it received approval under section 2 (F) of the U.G.C. Act 1956 and in the year 2006 the college was included in the list of college under section 12B of the U.G.C. Act 1956, which denotes recognition as an institution eligible to receive central assistance. The college has been twice accredited by the neck with B and B+ grade in the year 2003 and 2016 respectively. The college has been placed twice in A grade by the university in the Academic and Administrative Audit. The college is presently ISO 9001 certified. As a part of environmental consciousness, the college regularly undergoes Environmental, Energy and Green Audit. The college also got permanent affiliation in 2003. The college management has made it a priority to appoint experienced and qualified teachers in accordance with the norms set by the University and State Government. The institution is dedicated to imparting knowledge to students, with a focus on their overall progress and development.

B) Internal Quality Assurance Cell:

MTES' Smt. G. G. Khadse College, Muktainagar was reaccredited for Cycle-2 by NAAC during September 2016 with B+, and CGPA 2.53. The IQAC being an integral part of the college works towards achieving excellence in all aspects of education at higher level by considering the recommendations of NAAC peer committee. It is continuously striving for excellence. In the same lines, IQAC organizes programmes for faculty and students. It has a mechanism for faculty assessment through Self-Appraisal and Student Feedback for quality enhancement and sustainance in terms of improvement in teaching, learning, organization of various programmes activities and research in the college. A continuous follow up is taken on infrastructural resources and other facilities. With great responsibility to ensure quality, IQAC one of the most important components of the college is continuously striving to meet the expectations of stake holders. Moreover, it is functioning as a nodal agency of the Institution for coordinating quality-related activities.

C) Internal Quality Assurance Cell (IQAC):

❖ IQAC Strategies:

IQAC evolve mechanisms and procedures for:

- Ensuring timely, efficient and progressive performance of academic, administrativeand financial tasks,
- Optimization and integration of modern methods of teaching and learning,
- Relevant and quality academic / research programmes,
- Ensuring the adequacy, maintenance and proper allocation of support structure and services,
- Equitable access to and affordability of academic programmes for various sections of society.
- The credibility of the assessment and evaluation process,
- Sharing of research and networking with other institutions.
- Providing a road map for the all-round development of the students and institution

❖ Functions of IQAC:

The major functions of the IQAC are:

- Development and application of quality benchmarks/Parameters for various academic and administrative activities of the institution;

- Facilitating the creation of a learner-centric environment conducive to quality education and faculty maturation to adopt the required knowledge and technology for participatory teaching and learning process;
- Collection and analysis of feedback from all stakeholders on quality-related institutional processes;
- Dissemination of information on various quality parameters to all stakeholders;
- Organization of inter and intra institutional workshops, seminars on quality related themes and promotion of quality circles;
- Documentation of the various programmes/activities leading to quality improvement;
- Acting as a nodal agency of the Institution for coordinating quality-related activities, including adoption and dissemination of best practices;
- Development and maintenance of institutional database through MIS for the purpose of maintaining /enhancing the institutional quality;
- Periodical conduct of Academic and Administrative Audit and its follow-up
- Preparation and submission of the Annual Quality Assurance Report (AQAR) as per guidelines and parameters of NAAC.

❖ Benefits IQAC:

IQAC will facilitate / contribute to

- Ensure clarity and focus in institutional functioning towards quality enhancement;
- Ensure internalization of the quality culture;
- Ensure enhancement and coordination among various activities of the institution and institutionalize all good practices;
- Provide a sound basis for decision-making to improve institutional functioning;
- Act as a dynamic system for quality changes in HEIs;
- Build an organised methodology of documentation and internal communication.
- Prepare a road map for the development of academic and support services in the institution.

❖ IQAC as Monitoring Mechanism:

The institution needs to submit yearly the Annual Quality Assurance Report (AQAR) to NAAC. A functional Internal Quality Assurance Cell (IQAC) and timely submission of

Annual Quality Assurance Reports (AQARs) are the Minimum Institutional Requirements (MIR) to volunteer for second, third or subsequent cycle's accreditation. During the institutional visit the NAAC peer team will interact with the IQACs to know the progress, functioning as well quality sustanance initiatives undertaken by them.

The Annual Quality Assurance Reports (AQAR) is the part of the Annual Report. The AQAR is approved by the statutory bodies of the HEIs (such as Governing Council and CDC) for the follow up and undertake action for quality enhancement. The Higher Education Institutions (HEI) needs submit the AQAR regularly to NAAC. The IQACs asks the concerned sections/departments upload the Activity reports on institutional website.

The coordinator of the IQAC has a major role in implementing these functions. The IQAC derives major support from the already existing units and mechanisms that contribute to the functions listed above. The operational features and functions discussed so far are broad-based to facilitate institutions towards academic excellence and to meet the situational needs of the institute.

❖ **Composition of the IQAC:**

IQAC is constituted in the institution under the Chairmanship of the Head of the institution, with the heads of important academic and administrative units, a few teachers, a few distinguished educationists, representatives of local management and stakeholders.
