Report of Activity under Soft Component

Title of the Activity	Workshop on "Intellectual Property Rights (IPR)"
Date and Time	3rd February 2025 at 10.00 AM to 12.00 PM
Venue	Classroom No. 304
Organized by	IQAC and Department of Chemistry , MTES' Smt. G. G. Khadse College, Muktainagar under PM-USHA Grants
No. of Participants	43
Resource Person	Dr. S. D. Yeole , Head, Department of Chemistry, Bhusawal Arts, Science and P. O. Nahata Commerce College, Bhusawal
Objectives of the Program	i. To introduce students to the fundamentals of Intellectual Property Rights (IPR) and their real-world applications. ii. To help students understand how patents, copyrights, and trademarks can protect their creative and research work. iii. To educate students on the step-by-step process of patent filing and copyright registration. iv. To raise awareness about legal rights and responsibilities concerning intellectual property in academia and industry. v. To encourage students to explore innovation and entrepreneurship by leveraging IPR knowledge.
Outcomes of the Program	i. Students understood the fundamental concepts and importance of Intellectual Property Rights (IPR). ii. They learned about different types of intellectual property, including patents, copyrights, and trademarks. iii. They acquired knowledge about the patent filing process and its role in protecting research innovations. iv. They became aware of the legal aspects and protection mechanisms of intellectual property. v. Students gained confidence in applying IPR knowledge to their academic and research pursuits.

A Brief Report

The IQAC and the Department of Chemistry of MTES' Smt. G. G. Khadse College, Muktainagar, successfully organized an informative workshop on Intellectual Property Rights (IPR) for postgraduate students on 3rd February 2025. This program was conducted under the PM-USHA grants to enhance students' understanding of intellectual property laws and their significance in academic research and innovation. The session was chaired by Principal Dr. H. A. Mahajan, with the presence of Dr. S. B. Salve, Head, Dept. of Chemistry, and Dr. A. V. Wakode, Co-coordinator, PM-USHA.

The workshop was conducted by Dr. S. D. Yeole, Head, Dept. of Chemistry,

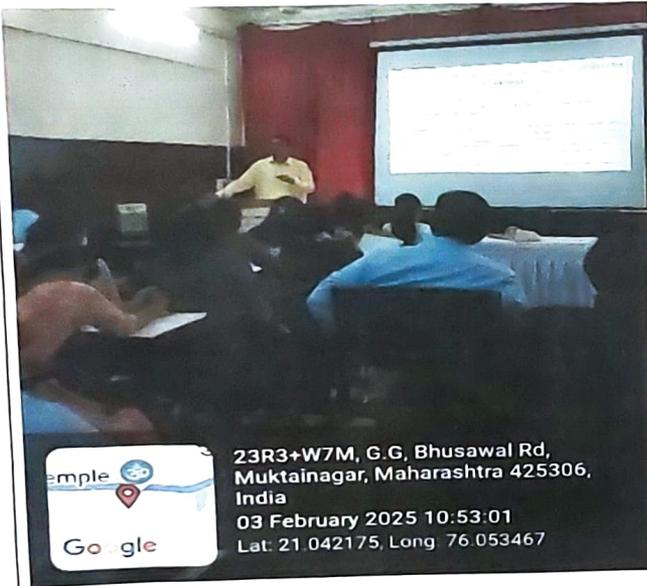

B.A.S.P.O.N.C. College, Bhusawal, who delivered an insightful lecture on patents, copyrights, trademarks, and their crucial role in protecting intellectual property and promoting innovation. The session emphasized the legal and procedural aspects of intellectual property rights, their application in research, and their importance in safeguarding original ideas and inventions.

The interactive nature of the session encouraged students to actively participate, ask questions, and gain practical knowledge about IPR. The event received overwhelmingly positive feedback, with students appreciating the opportunity to develop a clearer understanding of intellectual property protection.

The workshop successfully achieved its objectives, equipping students with essential knowledge of IPR, which is crucial for their academic and professional growth.
