### Department of Commerce Report of Activity

Name of the Program / Activity	Hands-on Training Workshop in Basic Electronics
Date and Time	26 <sup>th</sup> September 2024 9 am-11 am
Venue	Electronics Laboratory, Smt. G. G. Khadse College, Muktainagar
Resource Person	-
Organized by	Department of Electronics
No. of Participants	12
Outcome	Students developed the knowledge about identification of electronic components, circuit building, testing, and faultfinding techniques. They developed practical skills and better understanding of theoretical concepts through hands-on experience..

#### A Brief Report

A Hands-on Training Workshop was organised by the Department of Electronics, Smt. G. G. Khadse College, Muktainagar for Second Year B.Sc. students in the Electronics Laboratory.

The programme aimed to develop practical understanding among students about basic electronic components and circuit applications. The session also included troubleshooting techniques to identify and rectify common faults in circuits. The activity helped students to bridge the gap between theory and practical knowledge. Total 12 students from First Year B.Sc. were benefitted by the programme.
