A Brief Report

Yuvatisabha is a platform is to empower female students, provide a safe space for them to discuss their concerns, and foster their overall personality development. It organizes workshops, training sessions and discussions to enhance confidence promote gender equality and develop leadership skills. The Yuvati Sabha acts as a bridge, helping them transition into confident, self-reliant individuals ready to face societal and professional challenges. In Agniveer Army Pre recruitment training program conducted under yuvatisabha is structurally designed to instill deep-rooted military discipline, physical fitness, and leadership qualities, transforming young men and women into highly motivated and capable citizens. The initiative provides a direct opportunity for patriotic youth to fulfill their dream of serving the nation in uniform. Furthermore, it aims to create a highly skilled, employable, and disciplined workforce that will seamlessly reintegrate into civil society to contribute to the national economy. Ultimately, the program seeks to modernize the armed forces while optimizing national resources to ensure a future-ready military.
