Department of Chemistry

Report of the Activity

Name of Activity	How to Write a Research Paper
Date	17/01/2026
Organizing Department/ Venue	Chemistry
Number of Participants	22

The Department of Chemistry organized a lecture by Dr. B. B. Totawar on “How to Write a Research Paper” for students, aiming to enhance their understanding of science and technology and to inculcate a research-oriented mindset. The session provided detailed guidance on the structure, formatting, and essential components of a well-written research paper. Dr. Totawar also emphasized the importance of originality, proper citation practices, and ethical considerations in research work. The lecture was highly informative and interactive, encouraging students to actively participate and clarify their doubts. It served as a valuable platform for students to develop their scientific writing skills and gain confidence in presenting their research ideas. Overall, the session contributed significantly to promoting a culture of research and innovation among the students.
