| <p>The Department of Chemistry organized a one-day industrial tour at OM Multiplex, located in Kinhi MIDC, Bhusawal. The primary objective of this visit was to provide students with practical exposure to industrial processes and to enhance their understanding beyond classroom learning. During the tour, students observed various operations and gained valuable insights into the real-world applications of chemical principles. The visit proved to be both informative and engaging, as it allowed students to interact with industry personnel and clarify their doubts. Overall, the industrial tour was a highly beneficial learning experience that enriched the students' knowledge and broadened their perspective on industrial chemistry.</p> | |
