Report of Activity under Soft Component**

Name of Activity	E Platform and AI Application for Education
Date	13/02/2026 at 10.00 am to 1.15 pm
Organizing Department	College Campus
Resource Person:	Dr. Hitesh Gopal Brijwasi Librarian KAKP Commerce and Science College Jalgaon
Number of Participants	48 Teacher + 93 Student = 141
Objectives of the Programme:	To create awareness among students and teachers about various e-learning platforms used in higher education. To introduce the role of Artificial Intelligence (AI) applications in modern education.
Outcome of the Programme:	Participants gained knowledge about different e-platforms and AI applications useful for academic purposes. Students and teachers developed an understanding of how AI can support learning, research, and content creation. Participants became more confident in using digital tools for assignments, presentations, and research work.

A Brief Report: The programme on "E-Platform and AI Applications for Education" was organized to familiarize students and teachers with modern digital learning platforms and emerging AI technologies in education. The resource person explained the importance of Artificial Intelligence in transforming education through tools for content generation, data analysis, personalized learning, and academic research support. Practical demonstrations of AI-based applications were provided to help participants understand their real-world academic use.

The programme was interactive, with participants actively engaging in discussions and hands-on activities. The session successfully enhanced digital awareness and motivated attendees to adopt innovative technologies in their academic journey.
