A Brief Report

Department of Student Development organized online guest lecture on Aspects of Personality Development, in his lecture Prof. Dr. S. S. Rajput focus on Understanding yourself is very important. For this, make a list of what is good and bad about yourself. Then try to increase the good things each week. Build an effective, vibrant personality by overcoming adversity. A positive feeling should be reflected on the other person from your behavior and speech. If you are negative, or angry for some reason, you will not influence the other person.
